

Capitalization of Proper Nouns

Name: _____

Since proper nouns are names, they must be capitalized.

Remember that proper nouns are the names of specific people, places, things, or ideas. Use the highlighting tool to highlight in green every proper noun that should be capitalized. Fill your name in above. Press command-S, and drag this into the proper Google-Drive folder (Lang. Arts/Writing).

One morning scott woke up late and he had to hurry to get ready for school. His school, westlake elementary school, was about ten minutes away from his house. He picked up his library book, charlotte's web, and tucked it into his backpack with his homework. He almost forgot his soccer uniform. He had to practice with the red devils, his soccer team, after school. In the bathroom he ran a comb through his hair and brushed his teeth with minty max toothpaste. There was only time for a few bites of his favorite cereal, captain crunchies. He ran to the car with his mom, and they drove to school. Standing there waiting for him was his best friend, peter. They both hurried to mrs. anderson's classroom, and sat down in their seats as the tardy bell rang.
