

MAP ORGANIZER

My name is _____

My map will show the voyage(s) of _____ on the ship _____.

Include source of your information – name, page #, website – in each box.

WHERE DID HE START?

WHERE DID HE SAIL TO?

WHAT YEAR(S) DID HE SAIL?

NAME 2-4 EXAMPLES OF TECHNOLOGY USED DURING HIS EXPEDITION, and tell what they were used for.

1. _____
2. _____
3. _____
4. _____

WHICH SOURCE OF INFORMATION SHOWS YOU THE EXACT ROUTE HE TOOK ON HIS VOYAGE?

WHAT HAPPENED BECAUSE OF HIS EXPEDITION? DO YOU THINK WHAT HE DID WAS GOOD? WHY?

On a piece of construction paper, draw your own map that clearly shows **where** _____ started, **where** he sailed to, and a **dotted line** for the path he took. Include **dates** along the dotted line, to show when he sailed. Add in your own drawings of **technology** he used along the way. (Optional: draw a picture of your explorer.)

- Your map will be graded on:
- Clarity of what you show
 - Accuracy of your information
 - Correct mechanics and attractive presentation
